PLANTATION VERIFICATION

DFO PROCESS

On successful submission of the Applications Submitted by Applicants comes to the respective division DFO. Application duration time is 30 days after that it shows ‘Past Due’. DFO can ‘Save the Details’, ‘Assign to FVR’, ‘Reject’, ‘Revert the Application’. Here there are 3 types of Plantation Types - Within 0-2 Km, between 2-5 Km and Greater Than 5 Km based on that DFO assigns the application.

- When the distance is Within 0-2 Km, the verification is conducted by the Forest Range Officer in the presence of an Assistant Conservator of Forest
- When the distance is between 2-5 KM, the field verification is carried out by the Forest Range Officer
- When the distance is Greater Than 5 Km, the field verification certificate shall not be required.
